We would like to invite you to take part in a monthly discussion and working group concerned with political developments in Pakistan, India, Bangladesh and Sri Lanka from an anti-capitalist perspective.

Aims of the meeting are:

- A common review and mutual update about current developments, such as workers' movements, policies of the state, impacts of the global crisis
- Prepared short talks about specific subjects and common debate
- Setting up a common resource web-site
- Establishment of closer links between groups in and around London and class struggle-related groups on the Subcontinent
- If necessary and possible, practical solidarity with ongoing struggles

We meet monthly in a location in central London. On our web-site you can find date and venue of the next meeting and minutes of previous gatherings.
